**RE: PPP Inclusion of 501(c)(6) Organizations**

Dear New Jersey Congressional Delegation Members,

On behalf of the millions of New Jersey residents that our members collectively employ, who have all been impacted by the necessity to close or limit business operations, we write to you to thank you for your efforts and support in changing several provisions of the Paycheck Protection Program (PPP) and request your continuous support of including 501(c)(6) organizations in future legislation.

We are appreciative of your support of H.R. 7010, which amended the Small Business Act and the CARES Act by extending the deadline for repayment and altering the threshold for payroll costs in the PPP. Our hope is that these changes will assist the business community in keeping staff on their payroll as New Jersey still awaits to reopen businesses on a substantial level.

We are requesting your continued advocacy for the inclusion of 501(c)(6) organizations in future legislation. Your Congressional Delegation Letter to Senate and House leadership dated April 10, 2020 calling for the inclusion of such organizations was greatly appreciated, as many organizations are in desperate need of assistance as well. Many of you joined our respective organizations via educational seminars and webcasts that provided information on federal programs to help withstand this challenging time, and you know firsthand how critical the resources are that we provide to our members. Our collective organizations have and will continue to suffer financial losses as a direct result of COVID-19. We respectfully request access to the same financial support as is being rightfully provided to the business and nonprofit community.

Thank you for your consideration and continued support of New Jersey businesses, nonprofits and residents during this unprecedented health crisis. If you have questions, please contact Chrissy Buteas, NJBIA Chief Government Affairs Officer, at [cbuteas@njbia.org](mailto:cbuteas@njbia.org) or 908-447-3466.
