

COVID-19 Washington Borough Farmers' Market Regulations and Shopper Safety

Vendor rules and market safety regulations:

- Market will maintain one entrance and one exit.
- Number of shoppers in the market at a given time will be controlled by the Washington Borough Green Team and WBID staff.
- Pavement markings will indicate six-foot physical distancing.
- Vendors will be placed 10 feet apart.
- Double tables will ensure six-foot distancing between shoppers at vendor check out.
- Only vendors and their staff may handle products.
- No sampling of products.
- Staff and vendors are required to wear protective gloves and masks.
- Vendors will have one person dedicated solely to handling money.
- Stands must use vinyl or plastic table covers for regular sanitizing.
- Vendors will have hand sanitizer at their stand for their use and customer use.
- Market will provide additional hand sanitizer at INFO Tent.

Shopper Safety:

- Shoppers must wear face masks – by order of the New Jersey Health Department.
- First hour (10-11 am) is reserved for those 55 years and older.
- Please - only one person per household in the shopping area at a time.
- Dogs are not permitted in the market shopping area at this time.
- Wash your reusable bag before coming to the market.
- Wash your hands with soap and water or use hand sanitizer before entering market area.
- Please wait patiently if a line forms to enter the market. We have ensured in our site plan that there will be a proper amount of social distancing (at least 6 feet) between each customer while they wait.
- Adhere to 6-foot social distancing while in the market.
- Do not touch any produce or products; vendors will assist you with your selections.
- Observe posted signage and demarcated lines, which signal where customers should wait, six feet apart, to order and pay for your products.
- Help your neighbors who need to remain indoors by offering to pick up food at the market for them.
