**Judy Savage**  
**Former Executive Director**  
**New Jersey Council of County Vocational-Technical Schools**

Judy Savage retired in July 2021 after more than 15 years as Executive Director of the New Jersey Council of County Vocational-Technical Schools. In that role, she worked closely with the Legislature, multiple administrations, and the business and education communities as an advocate for career and technical education in New Jersey. Her signature achievements include the 2018 passage of the Securing Our Children's Future Bond Act, which is providing \$275 million to expand the state's county vocational-technical schools, as well the increased involvement of employers as essential partners in preparing students for the workforce.

While enjoying an active retirement, Judy remains involved in career and technical education as a part-time consultant to the Council.
