## Unlocking AI for Social Impact

Rutgers is hosting non-profit members of the NJBIA Friday, June 28, 2024 at 9:00am to a hands-on workshop to explore AI's role in addressing community challenges and promoting social impact. Discover tailored AI tools, valuable social and ethical insights from AI experts.

## Workshop Highlights

- Learn how organizations are leveraging AI as a team
- Engage in insightful discussions with nonprofit leaders
- Interactive sessions and Q&A with AI experts

## More Info

Please bring your laptop or learning device. Breakfast will be served. Seating is limited to 40 people.
