Identify the optimal social security filing strategy

There are 2,700 rules governing Social Security benefits and most couples have over 500 filing options. How do you know which ones apply to you and which ones you can utilize to your advantage?

Many people miss out on benefits they are eligible to receive from Social Security. As a leading Social Security consultant, Ash helps to identify all of your eligible benefits to ensure that you don't end up leaving money on the table.
